Title: Upcoming events through Community Arts of Tecumseh

It has been during the last six years that Tecumseh Kiwanis has supported Community Arts of Tecumseh. The 2014 summer art camps schedule has been established. A flyer with dates was distributed to the group. Highlights of the summer art camps include small class size and top notch teachers. Because of a donation from Kiwanis, the students will be able to use materials they wouldn't ordinarily be able to use in school.

An expansion for this summer includes a one week summer music camp and an adult art camp once a week during the month of July.

Two fund raisers planned during the next few months include an art fair June 7th and 8th to be held at the John Smith Park and a music fest scheduled for September 13th to be held at Hantz Golf Club.
