Doug Bird

Doug passed around a Sign up sheet with a request for equipment

and support of the 7th grade science students working on the new Kiwanis Trail behind TCA (see below)

- “Even members that don’t want to walk in the woods, can bring their personally marked tools and sit in the cars or in their lawn chairs to watch the spectacle for an hour – and feel just as good about the project!! If I can get 5+ more wheelbarrows and the associated tools, then I can divide 120 7th grade science students into teams of 10 for loading, moving the chips and spreading them on the trail. And I need the Kiwanians to transport the equipment and tools to the South Parking Lot of the TCA and stay, or stop back at 2:15p on Thurs 5/21 to pick up their tools.”
- Sign up list:

• Program

Ian Kirkpatrick, Linda Wyne and Tim Booth present our program on MIS.

Linda Wyne presents a slide about Keloora

Linda explained Keloora, a new 2 day festival being held from 4-11 outside of turn 3. She noted there are 8,500 campsites at MIS. To attend Keloora people must purchase Sunday bands. There are no coolers or outside alcohol allowed. We will assist on Friday and Saturday with directing vehicles to the park in the camper holding area lot for this event.

Here is what the MIS web page had for Keloora: ("Bump the Lamp" and be in the know)

Michigan International Speedway is taking the post-race concert experience to a whole new level with "Keloora."

Keloorah is two days of post-race live music and activities on Fridays and Saturdays during the June and August NASCAR weekends at MIS. It's a music, party and entertainment festival inside the bigger NASCAR weekend festival at MIS. Keloorah will have live concerts, deejays, a go-kart experience a mobile video game arcade, an outdoor sports bar, tailgate games, foam parties and paint parties – all within the NASCAR event weekends and on MIS property.

"Keloorah is a new concept for post-race concerts," MIS President Roger Curtis said. "It's an initiative to attract millennials who may not otherwise be aware of NASCAR, while rewarding current NASCAR fans with an entertainment experience unparalleled at any other NASCAR event."

A Sunday admission ticket or infield or APEX wristband that allows access to the Sunday Quicken Loans 400 and/or Pure Michigan 400 will gain access to Keloorah on Friday and Saturday of those event weekends.

But what is "Keloorah"?

MIS staff made it up.

"Keloorah" is the phonetic pronunciation of *Ceiliúradh*, the Celtic word for "celebration." MIS is in the Irish Hills of Brooklyn, Michigan, and the team wanted something that would tie back to the speedway's brand – all while being something new and different.

Keloorah is open with activities from 4-11 p.m. Friday and 4-11 p.m. Saturday, June 12-13; and 4-11 p.m. Friday and 4-11 p.m. Saturday, August 14-15."

There is also a party deck "The Deck" which is standing room only, will be open 3 days with the cost of \$75 and is entered from gates 32 and 33 only. The Party Porch will close at midnight. The M50 party (at Creek Side) will be open until 3 AM.

MIS web page:

The new Budweiser Party Porch at Michigan International Speedway is a respite area and hang-out at the track, all overlooking Turn Four.

The new patio includes concession and merchandise stands, as well as a full bar. Plus, there will be umbrella-covered picnic tables for fans to sit and relax during the day.

The Budweiser Party Porch is open all day and practically all night. The Turn Four Patio is for guests of all ages before and during the race. Guests may bring coolers that meet speedway requirements in to enjoy the area.

Live music is scheduled from 8-11 p.m. on Friday and Saturday. The Budweiser Party Porch will close at midnight.

Tim Booth

Tim Booth spoke about the GEM survey. Out of 14 tracks MIS was the company best in 5 categories. MIS is consistently number 1 in guest services.

Mission Statement: Create lasting memories for every person every time.

Bump The Lamp: Attention to details. Seemingly insignificant efforts and incremental successes.

Task vs Purpose:

RACE Ready: Respect, Action, Courtesy and Environment.

It is all about the experience.
