## • Program

Kelly Coffin introduced the speaker Jill Adams

8<sup>th</sup> grade English students: Garth Escott, Elizabeth Lacasse, Bethany Nowak, and Kylie Dennis.

Jill Adams

Jill had an idea on how to make research more exciting for 8<sup>th</sup> graders. They chose music and rock and roll. The trip to the Rock and Roll Hall of Fame Museum located in Cleveland, Ohio was a capstone project. Each 8<sup>th</sup> grader chose 2 artists to research.

Kiwanis donated money to make it affordable. After the trip the students had a better knowledge of the history of rock and roll music. Hip Hop class was part of the tour and started in the Bronx. Students analyzed lyrics and learned about culture.

Brochures and pictures were shared. Jill Adams read a poem. The trip photos shown during the presentation were very interesting.
