Lana Archer asked for help as docents during Promenade Tecumseh on June 4 and June 5.

Brian Callaghan announced we received many new flag applications and, in fact, ran out of flags. Ron Musselman has been asked to make 50 more flags. We had 7 or 8 problems with missing sleeves etc but for the most part all went well with the first flag planting of the year. Teams are asked to remove flags by

Wednesday PM. There will be a “post mortum” meeting all the flag team leaders and members next Tuesday AM at 6:30 to review and discuss this project.

## • Program

Mary introduced speaker Greg Dolson

Greg Dolson, THS Football coach and 8<sup>th</sup> grad Special Ed Teacher

Has a son Jake,6 and daughter Reese, 3. Has been married 8 years. Recently was a coach in Gibraltar. Is moving to Tecumseh from Taylor. Served in the Marine Corps for 4 years and the son of a single mother. He understands struggles and service.

He says THS has great facilities, weight room etc. and doesn't want kids to forget how student athletes are servants first. Football will come after that. Greg is more interested in where these kids will be in 10 years. Will they be good parents etc. His mother had her kids work at Christnet, and volunteer at shelters which had a profound effect on him. Make the kids appreciative for what they have and give back. Stresses Education. During football season we will see students with badges on their helmets when they carry a 3.0 to 4.0 GPA. Looking for community service projects for these kids. Taking the "head" out of the game and making the game as safe as possible.
