## Program

Cathi King read "A Christmas Story" by Howard Pennington

The story is about a sparrow living on the streets. It is cold, she is hungry and she can't find shelter for the night. There is also a young family that is searching for a Christmas tree. They don't have a lot of money. The sparrow has found shelter in one of the cheapest Christmas trees in the cheapest tree lot. The family is at the Christmas tree lot and comes upon the little tree. The little girl gives a cookie to the sparrow who is now nested safely in the tree with food for the night. The family buys the tree next to it, leaving a home for the sparrow.
