2013-14

Dear Applicant,

For more than 50 years the Kiwanis Club of Tecumseh has partnered with local groups, organizations and community-based projects by providing financial support for these types of activities. The funds we donate are made possible by a variety of fundraising projects undertaken throughout the year. While we feel quite fortunate in continuing to receive the support of the community in these efforts, it also has become increasingly difficult to maintain our level of financial activity due to economic factors.

The Youth Services Committee is asking local groups/organizations to complete a grant application in order to be eligible for funding for programs/projects. This will allow us to gather more information regarding specific requests. Applications need to be submitted **by September 30<sup>th</sup>**.

If your group or organization is awarded funding from the Kiwanis Club of Tecumseh, we will be requesting that a representative from your organization present to the entire Kiwanis Club of Tecumseh at one of our weekly Tuesday morning meetings.

We would like to remind recipients that our donations are one-time commitments from the Kiwanis Club and should not be counted on as indications of ongoing support. Funding decisions are made annually by the appropriate committees within our organization, and are based on the approved budgets and priorities for the given year.

Attached please find the 2013-14 Grant Application. Please complete this application and mail to the address listed above. If you have any questions, please contact Kelly Coffin at 517-918-8735.

We look forward to receiving your application.

Sincerely,

Kiwanis Club of Tecumseh  
Youth Services Committee
